

PROGRAM OVERVIEW

THURSDAY 21 November 2024		
8:00am	Conference registration opens	Foyer
9:00am	OFFICIAL OPENING AND PLENARY	Theatre A
10:45am	Morning tea	Foyer
11:15am	SESSION 1: ABSTRACT PRESENTATIONS & SPEED GEEK	See detailed program
12:45pm	Lunch	Foyer
	NAPWHA WORKSHOP “CRIMINALISATION: THE ENGINE ROOM OF HIV STIGMA”	Theatre A
1:45pm	SESSION 2: ABSTRACT PRESENTATIONS & KIRBY WORKSHOP	See detailed program
3:15pm	Afternoon tea	Foyer
3:45pm	SESSION 3: ABSTRACT PRESENTATIONS	See detailed program
5:30pm	Welcome evening drinks and canapes	Foyer

FRIDAY 22 November 2024		
9:00am	PLENARY	Theatre A
10:30am	Morning tea	Foyer
11:00am	SESSION 4: ABSTRACT PRESENTATIONS & AGEING FUTURES WORKSHOP	See detailed program
12:30pm	Lunch	Foyer
1:15pm	SESSION 5: ABSTRACT PRESENTATIONS, ASHM WORKSHOP & SESLHD WORKSHOP	See detailed program
2:45pm	Afternoon tea	Foyer
3:15pm	SESSION 6: ABSTRACT PRESENTATIONS	See detailed program
4:30pm	CLOSING	Theatre A
5:00pm	End of conference	

DETAILED PROGRAM

THURSDAY 21 November 2024				
8:00am	Conference registrationFoyer			
9:00am	OFFICIAL OPENINGChair: Loren BrenerTheatre ALivestreamed to Theatre B (9:00am) Welcome to Country Aunty Lola Ryan, La Perouse Local Aboriginal Land Council (9:05am) Introduction to the Centres CSRH & SPRC Director Professor kylie valentine, UNSW (9:10am) Welcome to the Tackling Stigma Conference 2024 Associate professor Loren Brener, CSRH UNSW PLENARY – STIGMA AND POWER Stigma does not exist without power differentials but is not often a focus of research or organisational responses to stigma. This session will explore some key aspects of stigma power as it relates to stigma in health care, and some examples of ways to challenge and disrupt stigma. (9:15am) Keynote 1: Scientia Professor Carla Treloar CSRH, UNSW (9:40am) Keynote 2: Caty Simon and Sara Knotts, North Carolina Survivors Union (10:05am) Panel Discussion: Mish Pony Scarlet Alliance Melinda Walker Kirby Institute, UNSW Thomas Tu Westmead Institute for Medical Research Andrew Heslop Positive Life NSW Panel Facilitator: Charles Henderson (10.30am) Q&A session			
10:45am	Morning teaFoyer			
11:15am – 12:45pm	Theatre A STIGMA REDUCING INTERVENTIONS IN THE DIGITAL AGE: COUNTERING THE NARRATIVE Chair: Jake Rance (11:15am) Fact or Fiction: How Malaysian health opinion leaders navigate postpartum health misinformation, lack of awareness, and stigmas on social media Humaira Raslie, UNSW (11:30am) “These videos don’t encourage the behaviour we want to see”: Perceptions of an Australian diabetes stigma-awareness campaign video among adults with and without diabetes Eloise Litterbach, Deakin University (11:45am) Evaluating the impact of SANE's StigmaWatch program on media portrayals of suicide and mental illness Anna Ross, University of Melbourne (12:00pm) Guiding principles for breaking down drug-related stigma in academic writing Ramez Bathish, Monash University (12:15pm) Experiences, endorsement, and awareness of diabetes stigma among adults with and without diabetes following randomised exposure to stigma-awareness campaign videos Elizabeth Holmes-Truscott, Deakin University (12: 30pm) Outrage and algorithms: shifting drug-related stigma in a digital world (Short) Amanda Roxburgh, Burnet Institute (12:35pm) Lives worth grieving (Short) Jake Rance, UNSW (12:40pm) Q&A Session	Theatre B STIGMA AND SEXUAL / REPRODUCTIVE HEALTH Chair: Joanne Bryant (11:15am) Anal pleasure and health: Identifying barriers and facilitators to promote provider-initiated discussions within HIV services Bryan Kutner, Albert Einstein College of Medicine (11:30am) Minimising the Risk: Teen Perspectives on Sexual Choking in Pornography Giselle Woodley, Edith Cowan University (11:45am) “I think they have boxes that they put people in. And I think I'm in one of them boxes.” Using structural stigma to understand how women navigate sexual and reproductive health decision-making while homeless Molly Turrell, La Trobe & Sheffield Universities (12:00pm) Experiences of, and resistance to, disclosing positive HIV status to potential sex partners Dean Murphy, La Trobe University (12:15pm) “All they’re good for is getting pregnant”: Intersecting expressions of stigma experienced by young Aboriginal women accessing sexual and reproductive healthcare Heather McCormack, UNSW (12:30pm) Strangulation and sexual choking: Tackling stigma by changing the way we ask the question Jackie McMillan, Women’s Health NSW	Theatre C ADDRESSING STIGMA AMONG DIVERSE COMMUNITIES (PART A) Chairs: Limin Mao and Eric Badu (11:15am) “What makes healthcare services culturally safe?”: Insights from yarns with Aboriginal people who inject drugs in Perth, Western Australia Roanna Lobo, Curtin University (11:30am) The effect of migration status on stigma related to gender and sexual identity among gay and bisexual men in Australia: findings from the PrEPARE Project 2023 Simin Yu, UNSW (11:45am) “Because of HIV, it opened my mind”: Intersectional Stigma Experiences among Filipino Gay and Bisexual Men Living with HIV Aron Pamoso, Australian National University (12:00pm) Reducing stigma for assistive product users to give every older person greater control over their choices Lisa Maunsell , iLA (12:15pm) Suicidism: Is this why people are dying by in silence? Grenville Rose, UNSW (12:30pm) ‘It's good to know I'm not alone’: Stigma and continuity of hepatitis C care for people transitioning between prison and community health services in South-East Queensland, Australia Andrew Smirnov, University of Queensland	LG02 SPEED GEEK Chairs: Alison Marshall and Lise Lafferty Like speed-dating, this event will briefly introduce you to a range of speakers with diverse experiences, including schizophrenia, deafness, prison-based healthcare, and stigma 101 (representing an overview of the different types of stigma). Through a series of micro-talks, this session will provide firsthand insights into the ways in which stigma can influence – and inhibit – healthcare engagement. In this informal setting, you will have opportunities to ask questions and connect with others interested in reducing stigma in health care and improve access for all.

DETAILED PROGRAM

12:45pm – 1:45pm	Lunch				Foyer
	NAPWHA PANEL – “CRIMINALISATION: THE ENGINE ROOM OF HIV STIGMA”				Theatre A
The community response to HIV has its own knowledge practices for understanding the mechanisms and effects of stigma upon people with HIV and affected communities. In this lunchtime panel, practitioners will debate the importance of HIV criminalisation and describe modes of intervention for limiting its impact. Audience members are encouraged to bring their lunch!					
Chair: Daniel Reeders, NAPWHA					
Speakers: Daniel Reeders, NAPWHA John Rule, NAPWHA Will Tregoning, Unharm Greta Desgraves, Scarlet Alliance					
1:45pm – 3:15pm	Theatre A	Theatre B	Theatre C	LG02	
	STIGMA IN HEALTHCARE SETTINGS (PART A: HIV) Chairs: Martin Holt and Simin Yu	SYMPOSIUM THE STIGMA-FREE STANDARD: TRIALLING A UNIVERSAL APPROACH TO STIGMA IN HEALTH CARE Chair: Aaron Cogle	ADDRESSING STIGMA AMONG DIVERSE COMMUNITIES (PART B) Chairs: Lise Lafferty and Yuchen Xie	KIRBY WORKSHOP POPULATION HEALTH DATA COLLECTION IN THE CONTEXT OF DIVERSITY, INCLUSION AND EQUITY Chairs: Claire Vajdic and Skye McGregor	
(1:45pm) Navigating the crossroads of stigma: access to healthcare among Arab Australian gay men Bernard Saliba, UNSW (2:00pm) Stigma and patient work: the challenges of accessing healthcare and HIV services amongst young and geographically diverse gay and bisexual men in New South Wales Anthony Smith, UNSW (2:15pm) Experiences and impact of LGBTQ+ stigma on accessing sexual healthcare services among recently arrived, overseas-born gay, bisexual, and other men who have sex with men in Australia Nathanael Wells, UNSW (2:30pm) Typologies of stigma and discrimination management in healthcare settings among people living with HIV in Australia Dean Murphy, La Trobe University (2:45pm) Ensuring good quality and equitable healthcare by reducing HIV-related stigma Lucy Stackpool-Moore, Watipa (3:00pm) “He’s just looking for attention, that’s what a banci does”: Stigmatizing narratives against transwomen from HIV healthcare providers in Jakarta and Yogyakarta Anindita Gabriella Sudewo, Monash University Indonesia If we are to address stigma within health care systems, we must move beyond siloed approaches to stigma reduction and take a more universal approach to addressing stigma and its negative effects. This symposium will outline and present some preliminary data from a project that seeks to trial a ‘universal’ approach to stigma reduction; whereby health systems would assume that all people who enter a health service might be concerned about being treated negatively or excluded in some way. This is a new and novel intervention to be trialled in various health services across New South Wales and Victoria. Speakers: Carla Treloar, UNSW Elena Cama, UNSW Emily Lenton, La Trobe University Caitlin Douglass, Burnet Institute (1:45pm) “Finding Respect for Me”: How Chinese Gay Men Who Have Chemsex Navigate Labelling and Stigma Apei Song, UNSW (2:00pm) Stigma and the creation of criminals Patricia Morgan, UNSW (2:15pm) Overcoming stigma and discrimination amongst people exiting prison Rory Gillard, Ashlyn Buckley, and Tamra Smith, Community Restorative Centre (2:30pm) A systematic review and thematic synthesis of qualitative inquiries into knowledge and perception of hepatitis B among immigrant populations Marvad Ahad, Monash University and Burnet Institute (2:45pm) “The Influence of Religion and Spirituality on Decision-Making Related to HIV and Stigma: A Care Provider's Perspective” Rose Knol, Alfred Health Melissa Iddles, Positive Women Victoria Stephen Borg, Thorne Harbour Health (3:00pm) “The good healthcare is one that people want to come and where they feel safe...which is not the case presently”: Exploring stakeholders’ perspectives on how to engage Australian CALD population with BBVs/STIs services Sylvester Okeke, UNSW Minority populations such as those with ethnic, linguistic, sexual and gender diversity are frequently not visible, or inadequately captured, in population-level disease surveillance and administrative datasets. In this session, we will provide epidemiological and community insights into currently available and future indicators. Such data would allow communities, health services and policy makers to equitably and comprehensively evaluate health and social wellbeing outcomes and address progress against stigma and discrimination. Speakers: Ela Naruka Bridget Haire Scott Harlum Jimmy Chen					

DETAILED PROGRAM

3:15pm	Afternoon tea				Foyer
3:45pm – 5:15pm	Theatre A	Theatre B	Theatre C	LG02
