

The Inspire Scholarship

Building pathway to integration through career development, entrepreneurship and leadership skills.

UNSW Justice Inclusion Access (JEINA)

Building an equitable future for forced migrant women in Australia.

117M

displaced worldwide

58M

being women

They face barriers including limited English proficiency, non-recognition of qualifications, lack of local work experience, discrimination, limited professional networks, and unpaid caregiving responsibilities. These challenges lead to unemployment, underemployment, and exclusion from meaningful economic participation, even for highly skilled women.

The Inspire Scholarship was launched by UNSW JEINA in 2025 to support women from forced migration backgrounds to overcome systemic barriers and thrive.

In partnership with UNSW Founders, UOW iAccelerate, and the Liverpool Innovation Precinct.

Inspire offers:

Entrepreneurial Education & Training

Access to business workshops, accelerator programs, and mentorship through UNSW Founders and UOW iAccelerate programs.

Financial Assistance

Up to \$4,000 to cover course fees, seed funding for business ventures, and professional development—plus top-up scholarships and waived entrepreneurship program fees provided in partnership with UNSW Founders and UOW iAccelerate.

Mentorship & Networking

Connections with experienced entrepreneurs and industry leaders.
