		Rate per sample	Rate per Sample	
		Internal Rate, (UNSW research)	External Universities and Government Institutions, Research	Research Student (User) ¹ Perform Analysis
	Analytes	Analytical Centre Staff Perform Analysis	Analytical Centre Staff Perform Analysis	
Grinding		\$ 17.00	\$ 20.00	\$9.00/sample
Digestion-open		\$ 17.00	\$ 24.00	
Digestion-microwave		\$ 24.00	\$ 35.00	
ICPOES	1-10	\$ 13.00	\$ 18.00	
ICPOES	11-20	\$ 24.00	\$ 35.00	
ICPMS Semiquantitative Survey [2]	max. 73	\$ 24.00	\$ 35.00	
ICPMS	1-10	\$ 23.00	\$ 34.00	
ICPMS	11-30	\$ 35.00	\$ 49.00	
ICPMS	31-50	\$ 47.00	\$ 50.00	
ICPMS for Hg [3]	1	\$ 23.00	\$ 34.00	
Discrete analysis (Nitrate/nitrite, Ammonia)	NH ₃ , NO ₂ , NO ₃	\$ 27.00	\$ 42.00	
Ion Chromatography	Anions only	\$ 33.00	\$ 55.00	
LC-OCD-sample load only	C	\$ 40.00	\$ 55.00	Internal \$18.00/sample External \$20.00/Sample
LC-OCD-data processing		\$ 60.00	\$ 80.00	
Multi NC Analyser	CN	\$ 18.00	\$ 44.00	
Multi NC Analyser-Seawater	CN	\$ 23.00	\$ 55.00	

[1] Note that all users require training for self perform items.

[2] A semiquantitative survey measures the approximate quantities of a wide range of elements simultaneously.

[3] Consult our staff about sample preparation method.

Bulk Samples	Discount/Sample
more than 50	10% off
more than 100	15% off
more than 250	20% off

Turnaround times for individual projects will vary with the size and complexity of the job, but most will be completed within 10 working days of

Prices for specialised work can be negotiated as required.
